And now we are curious about your personal Ayurveda and/or yoga success story.

We are particularly interested in:

1. What fascinates you about Ayurveda and/or Yoga?

Please tell us about the circumstances that led you to Ayurveda/Yoga, how you work with it and what particularly fascinates you about it.

2. Please describe your Ayurveda/Yoga career.

Which Ayurveda/Yoga trainings have you already attended? What did you particularly like about them? What has changed for you personally and/or professionally? Do you perhaps

have other areas of expertise that you use integratively, complementarily or in addition to Ayurveda/Yoga?

3. If you already run your own practice:

What experiences have you had? Please tell us about the search for suitable premises, whether you have founded a group practice and what you would recommend to new entrepreneurs.

4. please describe your complete curriculum vitae.

How do you work today? We would also be interested to know what you did professionally before you started working in Ayurveda/Yoga and what projects you have in store for the future.
